Circular

Sub: Mandate for online delivery of services

The Goa State Pollution Control Board is tasked with efficient delivery of various clearances required for businesses under various conditions, falling under the provision of this Board.

Further to the above objective, this Board has launched a number of online services without any requirement for submission of hard copy or physical visit to the Board. With the introduction of the online system of service delivery, the Goa State Pollution Control Board is pleased to eliminate in entirely the process of physically submitting applications processing and payment related to these services. The Board has also made all information such as fees, procedure and checklist of documents on the Board website of the online service.

The online system has the following features

- a. End to end online application and submission
- b. Online payment and document submission
- c. Online status tracking
- d. Online certificate issuance and download
- e. SMS/Email updates to the applicant
- f. Facility for online verification of certificates/ licenses/ permits by third parties

The above features are applicable to the following services:

- 1) Registration/ Renewal under the E-waste (Management and Handling) Rules, 2011.
- 2) Registration/ Renewal under Plastic Waste (Management and Handling) Rules, 2011.

- 3) Authorization under Bio-Medical Waste Management (Management and Handling) Rules, 2016.
- 4) Authorization under Solid Waste Management (processing, recycling, treatment, and disposal of solid waste) Rules, 2016.
- 5) Authorization under Construction and Demolition Waste Management (Management and Handling) Rules, 2016.
- 6) Registration for dealers under The Batteries (Management & Handling) Rules, 2001.

(Mr. Mahesh Patil)
Chairman

Goa State Pollution Control Board
