On the onset Dr. Shamila Monteiro, Member Secretary GSPCB, welcomed the Officials of the State Government, Municipal Councils/Corporation, Health. The MS briefed the officials regarding the pandemic and the guidelines issued by CPCB. The MS requested the officials to follow the guidelines issued by CPCB and update the COVID waste generated from their facilities on the COVID APP.

The Board showed a small video created by CPCB to the officials which showed how to handle COVID waste.

MS then requested Amit Shanbhag, JEE, GSPCB to give a brief presentation on handling and disposal of COVID waste. The presentation comprised of details of segregation, handling, storage, treatment and disposal of COVID waste as per the revised guidelines 4 of CPCB.

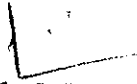

MS then requested all the officials to ensure to comply to the guidelines and register on COVID APP and update on daily basis on the APP. Also to forward the records to the Board through email on mail_gspcb@gov.in on daily basis.

The officials were informed that the details of manual and guidelines are available of CPCB website and the link is provided in the presentation. The same will be shared to all the officials.

MS also informed both the Collectors to submit list of the hospitals (Private and Government) and COVID Centres designated for COVID for the information of the Board within three days.

MS also directed all the department and Health Care Facilities to nominate a nodal officer for handling the APP. The details of the nodal officer to be provided to the Board through mail within three days. The hospitals may nominate any administrative officers as nodal officer.

Meeting ended with Thanks to the Chair

Dr. Shamila Monteiro
Member Secretary
Goa State Pollution Control Board
