

CHAPTER 1

INTRODUCTION

1.1 GENERAL INTRODUCTION

The Goa State Pollution Control Board is an autonomous statutory organization constituted on 1st July, 1988 under the Water (Prevention & Control of Pollution) Act, 1974. Prior to that, when Goa formed part of the erstwhile Union Territory of Goa, Daman and Diu, the Central Board for the Prevention and Control of Water Pollution was performing the functions of the State Board in Goa. The Central Pollution Control Board at Ponda-Goa had established a Section Office for the purpose. The same arrangement continued till the constitution of the State Board. In the meanwhile, the Section Office was re-constituted as West Zonal Office and shifted to Baroda on 4th April, 1988. All the relevant records pertaining to Goa were transferred to the Goa State Pollution Control Board on 12th September, 1988.

The Goa State Pollution Control Board, after its constitution, established its office in the Goa Medical College Complex at Bambolim. In June 1991, the Government of Goa allotted independent premises for the Board at Patto- Panaji, where the Board shifted its' office in September 1991.

On 15th August, 2002 the Board acquired new premises on the 1st floor in Dempo Tower at Patto Plaza, Panaji and shifted its full set-up to this new premise. Subsequently, on 15th August, 2005, the Board acquired additional premises measuring 311.86 Sq. mt. on the 4th floor of the same building. The Physical and Analytical Laboratory-I was set up on the 1st Floor and the Physical and Analytical Laboratory-II and the Microbiology Laboratory were set up on the 4th Floor.

On 28th February, 2007, the Board established its first Regional Office in Goa. It was set up in the quarters of the Industrial Development Corporation at Verna Industrial Estate, Verna, Goa. It is performing functions under the Water and Air Acts to cater to the needs of the industries in South Goa.

1.3 CONSTITUTION OF THE TECHNICAL COMMITTEE AND THE MEETINGS HELD

In order to develop uniformity in approach and to ensure timely clearance of the consent applications, the Chairman of the Board constitutes a Technical Committee composing of technical and scientific officers.

The Technical Committee for the year under report comprises of the following members:

1. Shri. Srinet Kothwale, Member Secretary, Goa State Pollution Control Board

The committee held weekly meetings for scrutiny of consent applications, both under Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981. Altogether, **Forty-one** meetings were held till 31st March 2010 wherein **1213** applications were scrutinized and disposed off. Annexure I gives the details of Applications scrutinized and disposed of by the Technical Committee during the year.

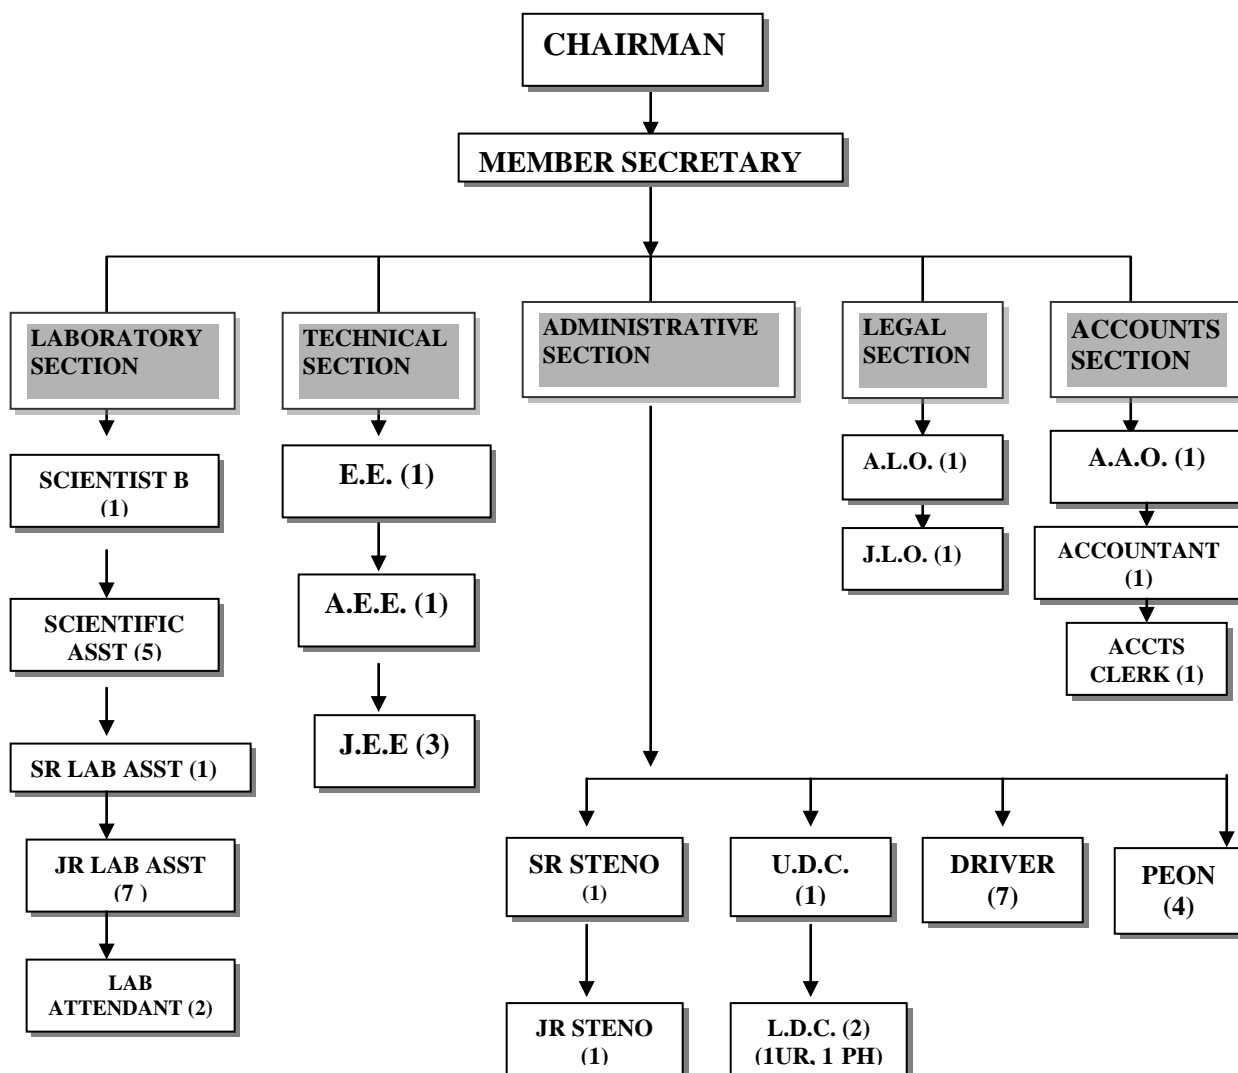

In order to bring transparency in the working of the Board, the Technical Committee meetings were held on every Tuesday wherein the applications were examined keeping in mind that the sole function of the Board is to ensure that all industries discharging effluents or gaseous emissions, shall meet the standards prescribed under EP Act, 1986. Minutes of the meeting were put up to the Chairman for approval on Wednesday. On approval of the minutes by the Chairman, the approved list was displayed on the Notice Board of Goa State Pollution Control Board, Website of Goa Chamber of Commerce & Industry and Website of Goa State Pollution Control Board on Wednesday itself. The Consent Orders were dispatched by post to the concerned parties on Thursday. This procedure has brought total transparency in the working of the Board.

CHAPTER 2

THE ESTABLISHMENT

2.1 STAFF OF GOA STATE POLLUTION CONTROL BOARD

ORGANIZATION CHART

Apart from the above employees, the Board has an additional 14 no. of employees on contract basis.

2.2 INFRASTRUCTURE FACILITIES

2.2.1 LABORATORY FACILITIES

The Board has two full fledged laboratories which are equipped with instruments and equipments for carrying out analysis of water, air and soil samples for chemical, physical and

bacteriological parameters including trace and toxic metals, pesticides and organic components. The Board has sophisticated instruments like Atomic Absorption Spectrophotometer with Graphite Module, Gas Chromatograph, Total Organic Carbon Analyzer, etc. and is in the process of procuring Gas Chromatograph – Mass Spectrometer and High Performance Liquid Chromatograph which are in the pipeline.

The Board has also put up a proposal to the Central Pollution Control Board for setting up of additional ambient air quality monitoring stations. The Board intends to purchase the equipments required for monitoring these stations during the following year. The project is in progress.

2.2.2 WEATHER MONITORING STATION

Meteorological data such as Wind Direction, Wind Speed, Ambient Air Temperature, Humidity, Solar Radiation and Rainfall was regularly monitored using the Automatic Weather Monitoring Station (AWMS). The Display Board showing the six meteorological parameters is also fixed at GSPCB office, Panaji. The observations recorded for Panaji City for this financial year are given in Annexure IV.

2.2.3 MOBILE LABORATORIES

Three Mobile Laboratories have been put into operation. These mobile laboratories have been extensively used for conducting inspections and monitoring programmes during the year.

2.3 FRONT OFFICE

The front office of the Board is occupied by the Chairman's cabin, the Member Secretary's cabin, cabin of PA to Chairman, Visitor's lounge, Security and Inward Section. The Administrative, Technical, Legal and Accounts Sections are also located on the 1st Floor adjacent to the Front Office.

2.4 LIBRARY FACILITIES

The Board has a spacious library of its own on the 4th Floor. It has varied publications from different departments/institutions, such as MOEF, CPCB, other State Boards' Annual Reports, etc. Legal, accounts and technical books, ISI Specifications, etc. are also available in the Board's library.

2.5 CONFERENCE ROOM

The Board has a spacious Conference Room on the 1st floor. It is fully air conditioned with a seating capacity for around 60 people and facilities like whiteboard, TV and Video. All Board Meetings and some other important meetings are held in the Conference Room.

3.2 MAJOR DECISIONS TAKEN BY THE BOARD

87TH MEETING OF THE BOARD

In the 87th Meeting, the Board took the following decisions:

- The members approved the Auditors Report submitted by M/s Borkar and Mazumdar, CA appointed by the Govt., for the year 2001-2002.
- Approval of purchase of premises for Regional Laboratory cum office at Margao.
- The members decided to place an advertisement in the news papers for auctioning the existing vehicle of the Chairman of the Board and purchase either a Honda City or SX4 vehicle of Maruti Suzuki.
- M/s Sunrise Zinc Ltd. submitted an application to the Board for obtaining consent to establish a Captive Landfill site for disposal of hazardous waste. The members perused and felt that since the report submitted by M/s Ramky Infrastructure and the comments offered by NEERI for the proposed landfill site are common, the applications of M/s Sunrise Zinc Ltd. and M/s Nicomet Industries Ltd. should be considered jointly and consent to Establish should be granted for M/s Sunrise Zinc Ltd. as application of M/s Nicomet Industries Ltd. has been approved in the previous meeting.
- The members approved to waive off fees to quarry owners holding valid Government leases for the previous period of operation and to charge one fee for earlier period of operation and one fee for the future period of operation.
- Mormugao Port Trust submitted application to the Board to obtain consent to operate under the Water and Air Acts. The members decided to consider the application once the action plan for mechanizing of berth nos. 10 & 11 is received from Mormugao Port Trust.
- On the directions of the Hon. High Court in Writ Petition no. 31 of 2007, the Board held a hearing for M/s G. N. Agarwal and the affected parties (Bagwad Shirfod Nagrik Samiti). The representatives of M/s G. N. Agarwal agreed to implement the conditions imposed by the Board within three months from the date of issue of consent. The Samiti charged that

the unit is not complying with pollution control norms like (i) carrying out loading and unloading at odd hours, (ii) transportation being carried out in the 'No Entry' routes of the villages, (iii)

plying of trucks without tarpaulin cover and have thus vehemently opposed for operation of jetty. The members decided to conduct a site inspection and place inspection report before the Board for arriving at a decision.

- M/s Gurukrupa Steel & Rollings Pvt. Ltd. submitted an application to the Board to obtain Consent to establish an induction furnace unit. The members rejected the application.

88TH MEETING OF THE BOARD

In the 88th Meeting, the Board took the following decisions:

- The members approved for granting of renewal of consent under the water and air acts to MPT subject to measures proposed by them.
- The members inspected M/s G. N. Agarwal and observed that the G.I. sheet barricade has been raised to 10 mts for some length along the boundary and the work for the same was in progress. The members were of the opinion that it would be advisable if the road is tarred. It was decided to grant consent to operate subject to the following conditions and compliance thereof for the consent to be operative:
 - i. The conditional consent will be operational for a period of three months only.
 - ii. The unit must complete the work of raising the G. I. sheet barricade height to 10 mts all along the boundary.
 - iii. The approach road to the jetty should be tarred so that no dust pollution is caused.
 - iv. Ambient air quality monitoring should be carried out for three months through a laboratory approved by MoEF and the cost should be entirely borne by the unit.
 - v. The conditions stipulated above should precede consent to operate and compliance thereof should be submitted to the Board.
- The members decided that the hotel 'The International Centre' be directed to submit an application under the Water and Air Acts. Since, it is having less than 50 rooms, it should be directed to deposit one fee for the past period of operation and one fee for subsequent period and validity of consent should be five years as per the decision of the Board.
- The members were of the opinion that instead of placing funds with the Collector for awareness, the Board can formulate its own programme by appointing an agency for educating public and creating awareness on the use of amplified music system regarding noise pollution and its rules in force. The members further decided to hold a meeting of the hotel owners Association / Travel and Tourism Association of Goa for the purpose of creating awareness regarding implementation of noise pollution rules.
- The members approved purchase of battery operated / petrol operated two-wheeler for the use of the peon of the Board to deliver correspondence to various departments.
- The members perused and noted that since M/s Ambey Metallic Ltd., M/s Shraddha Ispat Pvt. Ltd., M/s Shrivastha Ispat Ltd., and M/s Goa Spoke & Power Ltd. have completed almost 75% of the work as stipulated by the Board and recommended by NEERI, they may be granted an extension of three months for the completion of the remaining work, subject to the leave of the Hon. High Court.
- The Directorate of Tourism made a request to exempt the 'D' Category (Paying guest houses without restaurant facilities consisting less than 10 rooms) from obtaining consents of the Board. The members decided in favour.
- Regarding the disposal of slag by M/s Mohit Steel Industries Pvt. Ltd., M/s Karthik Inductions Ltd. and M/s Mandovi Castings Pvt Ltd., the members decided that these units should identify sites of their own. It was also decided to forward a proposal of slag to PWD with a request for incorporating the same in their schedule for road filling.
- The members rejected the request made by M/s Soddors Leasing and Holdings Pvt. Ltd. – Gloria Anne and Renton Manor, Candolim and Arpora respectively for exemption in installing a STP.
- The members rejected the request of M/s Goa Shipyard Ltd. to waive off late fees to the tune of Rs. 3.39 lakhs.

89TH MEETING OF THE BOARD

In the 89th Meeting, the Board took the following decisions:

- A presentation was made before the Board by the officials of M/s MRF in respect of the proposed expansion of the unit. On deliberation, the members agreed for grant of Consent to Establish for expansion of the unit subject to HPCC clearance.
- The members decided that all 'D' category hotels, as listed by Tourism Department, to be exempted from obtaining consent of the Board. Those who had applied prior to the decision of the Board be refunded the amount deposited towards obtaining consent retrospectively.
- The members decided that the stone quarries be charged one fee for the past period of operation and one fee for the subsequent period of operation retrospectively. It was also decided that those stone quarries who had submitted applications along with the fees for the past years be refunded the additional fees.
- The members approved the comments on the Draft Mineral Policy which were forwarded to the Department of Mines & Geology.
- The members approved for creation of one post of Record Keeper on regular basis in the Board in the pay scale of Rs. 4000-100-6000 with the qualifications as Graduate in any stream and forward the proposal to the State Government for creation of the post.
- The members approved for creation of one post of Assistant Record Keeper/Peon in maintaining the records of the Board with minimum qualification of S.S.C. in the pay scale of Rs. 2750-70-3800-75-4400 and the post of peon as per Recruitment Rules and forward the same to the State Government.
- The members agreed for confirmation of the staff of the Board who were appointed since 1992-1993 as the probation period has since expired and the employee is considered as permanent if he/she is not issued the confirmation letter within 5 years after his/her probation period after placing the same before the Departmental Promotion Committee as constituted in the Recruitment Rules.
- The members approved the proposal to carry out ambient air quality monitoring twice a week at seven locations, in areas affected due to transportation of iron ore from October, 2008 to May, 2009 through MoEF approved laboratory at an estimated expenditure of Rs. 19 Lakhs, by inviting quotations.
- Regarding the fees charged to the hotels as per the decision taken in the earlier Board meeting, the members decided that all hotels (with 50 rooms or plus/minus 50rooms) will be charged the same fee, i.e., one fee for the past period of operation and one fee for the subsequent period of operation.
- The members appreciated the initiative taken by the AAO of the Board in re-investing the fixed deposit of the Board elsewhere for a higher rate of interest and decided that a committee comprising of Dr. L. U. Joshi, Shri Nitin Kunkolienkar and Shri Keshav Kamat to decide on the re-investing scheme.
- The members approved for granting of honorarium as follows:
 - (i) Staff members attending the Public Hearings. Rs. 500/- for Panel member and Rs. 350/- each for the supporting staff of the Board.
 - (ii) Staff members performing duties beyond office hours and cannot be compensated with compensatory off and are not eligible for allowances as per rules in force.
 - (iii) Non-official members of the Board attending the Board meetings. Rs. 500/- plus the cost of transportation. This is to be paid with effect from the re-constitution of the Board, i.e., June, 2006.
- The members approved the Member Secretary as the Appellate Authority and Shri Sanjeev Joglekar as the Public Information Officer of the Board under the Right to Information Act.

- The members approved for enhancing the financial powers of the Chairman, as per Rule 17 of the Goa Water (Prevention & Control of Pollution) Rules, 1988, as amended, to appoint staff on contract basis and increase the minimum consolidated pay from Rs. 6000/- per month to 14000/- per month. The members also decided to forward the same to the Department of Science, Technology & Environment for issuing a suitable amendment in the said rules.
- M/s Rukminirama steel Pvt. Ltd. and M/s Shirdi Re-Rollers Pvt. Ltd., Cuncolim Industrial Estate and M/s Goa Ispat Pvt.Ltd., Madkaim Industrial Estate submitted applications for consent to establish a Gasifier plant and M/s Sunrise Electromelt, Cuncolim Industrial Estate submitted application for consent to operate their Gasifier plant. The members decided that the matter should be referred to the Government for policy decision.
- M/s Mohit Ispat Ltd. submitted an application for consent to establish to shift their Rolling Mill unit from Kundaim Industrial Estate to Navelim-Bicholim. The members approved the same subject to the conditions that the capacity of the rolling mill would not exceed the earlier capacity approved and the unit will obtain SSI registration / HPCC approval for the same.
- M/s Sunrise Electromelt, Cuncolim Industrial Estate submitted application for consent to establish the induction furnace which was dismantled earlier by the unit. The members decided to grant the consent to establish subject to installation of suction hood system and to obtaining HPCC clearance.
- M/s Gurukrupa Steel Rollings Pvt. Ltd. had purchased the closed unit of M/s Kay Pee Steel Pvt. Ltd. which had consent of the Board to establish an induction furnace and rolling mill and subsequently submitted an application to re-set up the same. The members decided to grant consent to establish to M/s Gurukrupa Steel Rollings Pvt. Ltd. for re-setting up of the induction furnace and rolling mill at earlier capacities subject to installation of suction hood system and to obtaining HPCC clearance.
- The members decided to grant consent to establish the mine of M/s Zantye & Co.Pvt. Ltd., T.C. No. 28/53 subject to conditions.
- The members approved to grant consent to establish for a new product to M/s Merck Specialities Pvt. Ltd. subject to obtaining SSI registration / HPCC approval.

- The members approved to extend the contract of Chaitanya Salgaonkar, Anunciacao Colaco and Anil Parab, Securiy Guard.
- The members approved for levying of 12.5% administrative charges for ambient air quality monitoring and stack monitoring carried out by Board through laboratories approved by MoEF.
- The members approved the appointment of Advisor in assisting the Board for obtaining NABL Accreditation having experience of working in laboratory in an institution/industry for a consolidated salary of Rs. 6000/- per month.
- The members decided to grant renewal of consent under the Water Act and Air Act to M/s Ambey Metallic Ltd., M/s Shraddha Ispat Pvt. Ltd., M/s Jain Udyog, M/s Shrithik Ispat Ltd., M/s Goa Spoge & Power Ltd. subject to the condition that the Board conduct ambient air quality monitoring and stack monitoring of the units independently through EPA approved laboratories, till May 2009.
- The members decided to grant consent to operate for the induction furnace unit of M/s Goa Sponge & Power Ltd. under the Water and Air Acts subject to the condition that the unit obtains revised NOC from HPCC for setting up induction furnace and rolling mill.

91ST MEETING OF THE BOARD

In the 91st Meeting, the Board took the following decisions:

- M/s Syngenta India Ltd. submitted application for consent to establish two new products, namely Mandipropamide and o-substituted Rhenyl Amide (OPA) and also expand the facilities for manufacture of Thiamethoxam and AE Phenol.
The Chairman explained that the unit presently disposes the treated effluent into Cumbarjua Canal and the additional effluents (2500KID) from the expansion after treatment will be discharged into the Cumbarjua Canal. The Chairman stated that the process emissions are controlled by high efficiency scrubbers/absorbers and condensation. The boiler has been provided with chimney for dispersion of emissions and the incinerators are provided with Venturi/Wet Scrubbers as pollution control equipment followed by chimney. The Chairman informed the members that the existing incinerators have sufficient capacity to treat and dispose the additional hazardous waste generated from proposed expansion. In view of above, the members decided to grant Consent to Establish to M/s Syngenta India Ltd. subject to conditions.
- M/s Mormugao Port Trust has submitted applications to the Board for renewal of consents under the Water and Air Acts. The matter of coal pollution is a part of Writ Petition in the High Court of Bombay and the Court has directed NEERI to conduct a study and submit a report.
In this regard, the Board has conducted inspections to verify the implementation status of the recommendations made by NEERI with regard to handling of coal and coke at berth nos 10 & 11. The Board has also conducted AAQM through a laboratory recognized under the EP Act at the same locations selected by NEERI. The values of SPM and RPM were found to be exceeding the prescribed limits. As further control measures, MPT has put up dust suppression system, sprinklers and carried out resurfacing of roads and also similar additional measures have been proposed.
The members decided that MPT should be allowed to operate subject to the conditions that: monitoring at the locations as above should be carried out once a week to verify the ambient air quality and issue directions to complete the additional measures as proposed. Further it was decided that granting of consent be taken up after receipt of weekly monitoring report.

- The Chairman informed the members that Amona Bachao Andolan has filed a Public Interest Litigation alleging pollution caused due to the release of graphite particles/dust pollution on operation of the Pig Iron Plant and Coke Oven Plant of M/s Sesa Industries Ltd. and M/s Sesa Metcoke Division Ltd. respectively. In this regard, the Hon'ble High Court had appointed NEERI to conduct a study and submit report. Accordingly, NEERI has submitted a report to the High Court. The report lists Short Term measures, Long Term measures, Health, Safety & Environment aspect and Corporate Social Responsibility aspect. The members decided to issue directions to M/s Sesa Industries Ltd. and M/s Sesa Metcoke Division Ltd. to comply with the recommendations made by NEERI and submit an action plan for implementation of the same.
- The members decided to approve fee of Rs. 5000/- per hearing for Adv. S. N. Joshi for the period from 20/11/07 to 13/10/08 and for further period.
- The members decided to revise the fees paid to the Legal Counsel of the Board as follows:

Adv. A. N. S. Nadkarni and	Fees for appearance –	Rs. 7000/-
Adv. Bhavani Shankar Gadnis,	Fees for drafting –	Rs. 1000/-,
	Clerkage –	Rs. 1000/- and
	Fees for Adv. on record	Rs. 1000/- per app.
Adv. Joaquim Godinho and	Fees for appearance –	Rs. 5000/-
Adv. S. N. Joshi	Fees for drafting –	Rs. 1000/-,
	Clerkage –	Rs. 1000/-
- M/s Nicomet Industries Ltd. submitted a Bank guarantee to the Board amounting to Rs 10 Lakhs for establishment of a Captive Landfill site within the Cuncolim Industrial Estate. Permission for the same was granted with a time period of 6 months in the 76th meeting of the Board held on 29/08/06. M/s Nicomet Industries Ltd. could not set up the Captive Landfill site within the stipulated time period due to monsoon, however, the construction work had started in time as per NEERI report and a number of tasks concerning the site were completed before the monsoon. Because of heavy rains, NEERI suggested that the work be deferred till end of monsoon.
The unit submitted an application to the Board on 07/01/09 to grant consent to operate which was granted on 02/02/09 after inspection by NEERI and subject to condition that the unit complies with the recommendations made by NEERI in its report and completes the ancillary facilities in two months from the date of issue of consent. The unit also asked for extension of the Bank Guarantee.
The members decided to extend the Bank Guarantee for a further period of three months. They also decided to revoke the consent in case of non-compliance of conditions.
- The members perused and approved the applications cleared in the TAC meetings held from 05/02/08 to 02/02/09.
- The members decided that Shri Rajendra Kamat will hold the charge of the post of Member Secretary and operate the account of the Board in the absence of Shri Ashok Daiwajna, Member Secretary.
- The members decided to grant a monthly mobile allowance of Rs. 250/- to the Junior Stenographer presently working as the Personal Assistant to the Chairman and to the Driver of the Chairman.
- The members approved the appointment of Ms. Supriya Usgaonkar as DEO on contract basis for a period of one year with one day break after six months on a consolidated salary of Rs. 4500/- per month.
- The chairman constituted a Committee for purchase of instruments comprising of seven members (five members from the Board and two external). The members approved the same.

3.4 VARIOUS FUNCTIONS PERFORMED BY THE BOARD DURING THE YEAR UNDER REPORT

3.4.1 INSPECTIONS AND MONITORING PROGRAMMES

3.4.1.1 REGULAR INSPECTIONS

The Goa State Pollution Control Board conducts inspections of the Industrial Units on regular basis, as required under the Water (Prevention & Control of Pollution) Act, 1974 and Air (Prevention & Control of Pollution) Act, 1981. The inspections are carried out as follows:

- (i) Before the plant is commissioned / established, Consent to Establish (NOC) is issued for construction of the shed and establishing the machinery. After commissioning, the unit is inspected and Consent to Operate under Water Act or Air Act is granted, accordingly.
- (ii) Once the plant is in operation, the consents to operate under Water/Air Act have to be renewed periodically. At this stage the unit is inspected and samples are collected and analyzed in the Boards' laboratory to check the compliance of the consent conditions. Consent renewal orders are issued to the complying units.

3.4.1.2 SURPRISE INSPECTIONS

Besides the above regular inspections, surprise inspections are also being conducted to check the compliance by the units. To achieve this, industrial monitoring programmes are held at regular intervals, wherein the units are inspected at random with respect to the consent conditions. Samples of waste water, ambient air and stack emissions are collected and analysed in the Board laboratory.

During the year under report industrial monitoring programmes were conducted for mining industries, industries under the 17 categories, steel industries (sponge iron and induction furnace units) and stone crushing units at St. Jose de Areal.

3.4.1.3 OTHER INSPECTIONS

Inspections in response to public complaints regarding Air /Water pollution, Hazardous Waste, Municipal Solid Waste, Biomedical Waste and Noise Pollution are also attended to by the Boards' officials as and when such complaints are received by the Board.

3.4.1.4 MONITORING PROGRAMMES

The Board in its 85th meeting had passed a resolution to conduct ambient air quality monitoring in areas affected due to transportation of iron ore. During the year under report, the ambient air quality monitoring programmes were held in Amona, Bicholim, Curchorem, Honda-sonshi and Codli-Tisk.

3.4.2 SAMPLING AND ANALYSIS OF WATER AND WASTE WATER

The Board has established its own laboratories on the 1st and 4th floor of Dempo Tower with the funds from MoEF and CPCB, New Delhi. The laboratories are well equipped with modern instruments to carry out water, air and soil analyses for physical, chemical and microbiological parameters. During the period from April 2009 to March 2010 the Board collected 360 samples from various sources such as ETP, STP, discharge from mines (settling pond, mining pit, etc.), river water, well water, canal water, etc. and analyzed the same for the following parameters: pH, Biochemical Oxygen Demand, Chemical Oxygen Demand, Suspended solids, Oil and Grease, Dissolved Oxygen, Nutrients, trace and heavy metals, etc..

3.4.3 SPONSORED PROJECTS

Apart from its regular activities, the Board has been implementing the following sponsored projects.

3.4.3.1 National Water Quality Monitoring Programme (NWMP)

3.4.3.1 National Water Quality Monitoring Programme (NWMP)

It is an ongoing project sponsored by the Central Pollution Control Board, New Delhi. Under this project, the Board has monitored the water quality of the following water bodies.

1. Mandovi at Panaji
2. Mandovi at Tonca-Marcela
3. Zuari at Cortalim
4. Zuari at Panchwadi
5. Khandepar at Opa, Ponda
6. Madei at Dabose, Valpoi
7. Valvanti at Sanquelim
8. Assanora at Assanora
9. Kalna at Chandel, Pernem
10. Talpona at Canacona
11. Salaulim dam at Salaulim, Sanguem
12. Creek at Dando Mollo Velsao, Mormugao
13. Cumbarjua Canal, Corlim (Discharge point of Syngenta Ltd.)
14. Mayem Lake, Bicholim
15. River Khandepar at Codli near bridge, u/s Opa water works, Sanguem
16. River Sal, Pazorkhoni, Cuncolim (nr culvert, Margao-Canacona National Highway)
17. River Kushawati nr bundh at Kevona, Rivona, Sanguem
18. River Sal nr Hotel Leela, Mobor, Cavelossim
19. River Mapusa on culvert on Mapusa-Panaji Highway
20. River Chapora near Alorna Fort, Pernem
21. River Bicholim, Barazan Nagar, Bicholim
22. Agricultural Canal u/s of Cuncolim Industrial Estate (1Km from M/s Nicomet Industris Ltd.)
23. Agricultural Canal d/s of Cuncolim Industrial Estate (near railwaybridge)
24. Verna Industrial Estate (well of M/s Cipla Ltd.)
25. Sancoale Industrial Estate (well)
26. M/s Zuari Industries Ltd., Zuari nagar (well)
27. Kundaim Industrial Estate (well of M/s Cadilla Health Care Ltd.)
28. Corlim Industrial Estate (well)
29. Pilerne Industrial Estate (well of M/s Unichem)

The total 29 stations are divided into three groups i.e., (i) 11 stations to be monitored monthly, (ii) 12 stations to be monitored quarterly and (iii) 6 stations to be monitored half yearly.

Hundred and Sixty Eight water samples were collected from all these water bodies and analyzed during the year (Hundred and Thirty Nine samples for 14 parameters during the regular monitoring and Twenty Nine samples for 29 parameters during annual monitoring).

The analytical results show that all the rivers satisfy the quality requirement of the designated best uses as recommended by Central Pollution Control Board. The water quality data for the rivers observed during the year are given in Annexure II.

3.4.3.2 NAMP (National Air Monitoring Programme)

This is an ongoing activity funded by the Central Pollution Control Board, New Delhi under the National Air Monitoring Programme (NAMP). Under this programme the Board continued to monitor the ambient air quality at Vasco, MPT at Mormugao and Panaji.

The Ambient Air samples were collected at each station twice a week, as per the standard norms for ambient air quality monitoring, and normal parameters like RSPM, SPM, SO₂ and NO_x were analyzed. The ambient air quality data for these stations observed during the year are given in Annexure III. The analytical results show that all the above parameters are within the limits prescribed for ambient air quality.

3.4.3.3 SPATIAL ENVIRONMENTAL PLANNING PROGRAMME

The Spatial Environmental Planning Program was conceptualized for ensuring the protection of the environment and its resources through planned and sustainable development. Sponsored by the Central Pollution Control Board, the program commenced in 1995 in 14 volunteering states with district wise environment assessments for siting of industries. The program, although initially catered to siting of industries, was expanded subsequently to cater to siting of industrial estates, compilation of environmental information, environmental improvement of urban areas/mining areas/tourism areas, etc.

The Goa State Pollution Control Board took up this project in August 2005. Under this Project, 4 Junior Research Fellows and 1 Data Entry Operator were employed to carry out the project activities.

From the year 2005, five activities under Spatial Environmental Planning Program, were taken up namely, preparation of State Environmental Atlas, preparation of District Environmental Atlas, Revision of District-wise Zoning Atlas for Districts for which Zoning Atlas were completed earlier, preparation of State Level Guidelines for Siting of Industries and preparation of District Specific Guidelines for Siting of Industries. Owing to the small size of the state of Goa and since Goa consists of only 2 districts, the State Environmental Atlas and the District Environmental Atlas are merged together.

The activities under the Program include the following:

1. Preparation of State Environmental Atlas for the State of Goa

The State Environmental Atlas is a compilation of environment related information in the form of maps, texts and statistical data. The maps in the Atlas are in the scale 1:50,000.

The State Environmental Atlas includes information on the administrative divisions of Goa, settlement locations, transportation network, climatic details of Goa, natural hazards, land use, physiography, wastelands, soil types, land capability, drainage, irrigation potential, ground water potential, hydrogeomorphology, surface water use, surface water flow, ground water use, biological diversity, incompatible land use areas, location of industrial estates, location of mines, solid waste generation, vehicular pollution, domestic sewage load, consumption of fertilizers and pesticides, air quality, water quality and ground water quality in the State.

2. Revision of Zoning Atlas for Siting of Industries for North Goa and South Goa Districts

The Zoning Atlas for Siting of Industries interrelates the sensitivity of the environment with the pollution potential of industries so as to identify sites with minimal environmental impacts/risks as per the revised criteria. The Zoning Atlas report will be used only for official purposes to develop district-specific Industrial Siting Guidelines. The maps in the Atlas are in the scale 1:50,000.

The Zoning Atlas for Siting of Industries includes information on the environmentally sensitive zones in the State, site suitability for air and water polluting industries and zones for industrial siting.

3. Preparation of Industrial Siting Guidelines for North Goa and South Goa Districts

The Industrial Siting Guidelines clearly bring out the information on environmentally sensitive zones/areas to be avoided for location of industries or carrying of processes or operations to be restricted in the district, potential zones for siting of air and water polluting industries or carrying of processes or operations that may be considered for siting anywhere in the district, other than environmentally sensitive zones/areas to be avoided for priority districts. This will be an instrument for implementing the Zoning Atlas for Siting of Industries. The Zoning Atlas for Siting of Industries will be used to develop these guidelines.

The Industrial Siting Guidelines includes information on the environmentally sensitive zones/areas to be avoided for location of industries or carrying of processes or operations such as biological diversity of an area and the sensitive/incompatible land uses, site suitability for industries (air and/or water pollution sensitivity), industries or carrying of processes or operations to be restricted such as restricted industries in the districts, industries that may be considered for siting of state of the art manufacturing process and/or Best Available Treatment Technology (BAT) is installed for wastes/effluents/emissions, siting of industries in urban areas/sites and siting of non-polluting industries, and a list of industries or carrying of processes or operations that may be considered for siting anywhere in the districts, other than environmentally sensitive zones/areas to be avoided.

All the above three reports have been finalized and the drafts have been approved by the CPCB. The Draft Reports are forwarded to the State Government for final approval and implementation.

3.4.4 ELECTRONIC DISPLAY BOARDS

Concentration levels of SO₂, NO_x, SPM and RSPM in the ambient air monitored and measured by the Board were regularly displayed on the Electronic Display Board located at the Panaji Bus Stand. The Board in collaboration with M/s Sesa Goa Ltd., M/s Syngenta India Ltd. and M/s Ciba Speciality Chemicals Ltd. has put up similar electronic display boards at the respective factory sites. In addition, Display Boards were also put up by M/s Zuari Industries Ltd. at four different places on the 4-Lane Express Highway

3.4.5 IMPLEMENTATION OF HAZARDOUS WASTE (MANAGEMENT & HANDLING) RULES, 1989 & AMMENDMENT.

At present the Goa State Pollution Control Board has identified 248 industries generating hazardous waste in Goa and authorizations have been granted for all 248 industries (since the inception of the Rules). During the year under report, 167 units have been granted authorization (new/renewals) under the Hazardous Waste (Management & Handling) Rules, 1989. The details such as location of the unit, category of hazardous waste, quantity generated and mode of disposal are given in Table 5 in Annexure V.

3.4.6 IMPLEMENTATION OF BIO-MEDICAL WASTE (MANAGEMENT & HANDLING) RULES, 1988

For implementation of the Bio-Medical Waste (Management and Handling) Rules 1998, Hospitals have been classified as per their bedded capacity.

1. Category 1: With 500 beds and above	1 No.
2. Category 2: With 200 beds and above, but less than 500	1 Nos.
3. Category 3: With 50 beds and above, but less than 200	13 Nos.
4. Category 4: With beds less than 50	216 Nos.

Till 31/03/2009, 205 Hospitals and 11 Veterinary units were granted authorizations under the Bio-Medical Waste (Management & Handling) Rules, 1988. The status of the Bio Medical waste generated by these units during the year is given as Table 6 in Annexure VI.

3.4.7 NOISE POLLUTION REGULATION & CONTROL RULES, 2000

The Board is monitoring noise levels whenever any specific complaints of noise pollution are received and action is being taken accordingly. In pursuance of clause (c) of rule 2 of the Noise Pollution Regulation & Control Rules, 2000, the Government of Goa vide Notification No. 2/51/2000 –II D (G) Vol I has designated (1) District Magistrates (2) Director General of Police (3) Deputy Collector and Sub-Divisional Magistrates (4) Superintendent of Police and Sub-Divisional Police Officers as 'authority' for the maintenance of ambient air quality standards in respect of noise under the said rules, with effect from 21.09.2000.

3.4.8 IMPLEMENTATION OF MUNICIPAL SOLID WASTES (MANAGEMENT & HANDLING) RULES, 2000

The Board has issued authorization to all the 14 local bodies under the Municipal Solid waste (Management & Handling) Rules. Five Municipal bodies have partly adopted effective composting methods for processing of their wastes.

3.4.9 LEGAL MATTERS OF THE BOARD

The status of the major cases filed by the Board and the cases disposed off and the ones pending, in the High Court of Bombay at Goa and in the Supreme Court of India at Delhi are presented in Annexure VII.

Annexure VIII gives the details of mining companies wherein Environmental Public Hearing process is completed.

The statement showing the details of number of requests received, disposed off, rejected, fees collected, appeals preferred to the first Appellate Authority, outcome of appeals under RTI Act, 2005 for the the financial year April 2008 to March 2009 is given in Annexure IX.

3.4.10 FINANCE AND ACCOUNTS OF THE BOARD

As per sub-section 2 & 3 of section 40 of the Water (Prevention and Control of Pollution) Act, 1974, the accounts of the Board are to be audited by an Auditor duly qualified to act as an Auditor of Companies under section 226 of the Companies Act, 1956. The said Auditor is to be appointed by the State Government on the advice of Comptroller & Auditor General of India (CAG).

Auditing of the accounts for the year 2000-2001 is in progress and thereafter 2001-2002 auditing will be taken up. Auditors for auditing of the accounts for the year 2002-2003, 2003-2004, 2004-2005 are being appointed by the State Government on the advice of CAG.

3.4.11 IMPLEMENTATION OF THE SUPREME COURT GUIDELINES ON PREVENTION OF SEXUAL HARASSMENT OF WOMEN AT WORKPLACE

Information in this regard, as per the Supreme Court judgment dated 13/08/1997, is that no complaints about sexual harassment were received during the financial year covered by this report.

CHAPTER 4

HUMAN RESOURCES DEVELOPMENT

11.	Nilesh S. Parsekar, Scientific Asst.	Laboratory Quality System, Management & Internal Audit as per IS/IS 17025:2005	25 th – 28 th November, 2008	National Institute of Training for Standardization (NITS)

4.2.1 TRAININGS PROVIDED FOR EDUCATIONAL INSTITUTIONS / STUDENTS

The Board laboratory provides free training to students from Schools, Colleges and other Educational Institutions. Training with respect to air and water sampling and analysis of environmental parameters are conducted for officials from industries after charging a fee. The trainings provided during the year are given in the following Table.

Table giving the details about the Training Programmes held by the Board

Sr. No.	Name of the Company / College / Individual given training	Title of the Training	Duration
1.	Smt Parvathibai Chowgule Cultural Foundation's College of Arts & Science, Margao – Goa (T.Y.B.Sc. Chem. Students)	Analysis of water samples	November, 2008
2.	Ms. Milgen S. Fernandes, M.Sc. Microbiology, Goa University	Analysis of water samples to estimate arsenicals	April, 2008

4.3 AWARDS, HONOURS, ETC.

- **Greentech Excellent Environment Award**

Dr. L. U. Joshi, Chairman, GSPCB has been awarded the most prestigious 'Greentech Excellent Environment Award' at the hands of Shri Shripad Y. Naik, Hon'ble M.P., Government of India on 6th September 2008 for excellent management of environment.

- **Bharat Jyoti Award**

4.4 NABL ACCREDITATION FOR GSPCB

The GSPCB is in the process of obtaining accreditation for the Board laboratory under IS/ISO 17025:2005 from National Accreditation Board for Testing and Calibration Laboratories (NABL). For achieving this, the Board held audits for the laboratory personnel through NABL approved auditors on two occasions. A pre-assessment audit on 15th November, 2008 and a final audit on 21st - 22nd February, 2009 were also held.

NABL has examined the Assessment Report of the GSPCB Laboratory and grant of accreditation has been recommended in accordance with ISO/IEC 17025:2005 in the field of Chemical Testing. NABL has also approved the Authorized Signatories for issue of Test Reports. It is expected that the “accreditation Certificates” will be received shortly.

4.5 APPOINTMENTS IN THE BOARD

During the year under report Supriya Usgaonkar was appointed as LDC on contract basis in the Goa State Pollution Control Board.

4.6 DEPUTATIONS IN THE BOARD

Shri. Suresh Diukar was appointed as Assistant Accounts Officer; on deputation from Directorate of Accounts while Shri. Dilip Morajkar continued to be the Accountant of the Board. Shri. Rajendra Kamat was appointed as Environmental Engineer on deputation from P.W.D.

4.7 RELINQUISHING THE OFFICE

Dr. Simon de Sousa relinquished the office of Consultant at the GSPCB on 02/12/2008 upon expiry of his contract.

CHAPTER 5

ACHIEVEMENTS

5.1 ACHIEVEMENTS MADE BY THE BOARD

In the recent years, the Goa State Pollution Control Board has made some achievements in the fields of human resource development and environmental pollution control. The achievements are listed below.

- **Recognition of the Board Laboratory by Ministry of Environment & Forests, Government of India**

The Board Laboratory has been accorded recognition under section 12 & 13 of the Environment (Protection) Act, 1986 and notified in the Government of India Gazette no. 225 dated 22nd November, 2007 vide Notification No. S.O. Legal 42(3)87 dated 1st October, 2007. Also, three Analysts were notified as Government Analysts. The Accreditation is valid for a period of 5 years from the date of Gazette notification.

- **Leave Encashment Benefit**

Extension of Leave Encashment Benefit and providing Computer advance facilities to all the Board employees as approved by the Government of Goa vide Notifications no. 6/5/87-PER dated 30/03/07 and no. 7/1/07-FIN(Exp)(2) dated 29/03/07.

- **Provident Fund Benefit**

All the staff of the Board was brought under the Employees Provident Fund Account. The arrears of the Board staff for the last 18 years were calculated and deposited under respective accounts with the approval of the Board.

- **Completion of Audit of the Board**

The Board got its accounts for 2 years 2000-2001 and 2001-2002 audited. Further most of the observations were complied with and note has been taken for further action.

- **Rearrangement of Finance**

The balance fixed deposit available with the Board in the banks at a low rate of interest was rearranged at higher rate of interest. The fixed deposits with the Board have increased to the tune of 200%.

- **Hazardous Waste Inventory**

The Goa State Pollution Control Board engaged the services of M/s Aditya Environmental Services Pvt. Ltd. to prepare the Hazardous Waste Inventory for the industries generating hazardous waste in Goa.

Table 8-a: SYNOPSIS OF MAJOR CASES PENDING IN THE HIGH COURT OF BOMBAY AT GOA.

Sr. No.	Case	Present Status.
1.	i) Oscar Martins v/s Goa State Pollution Control Board and ors. (W.P.No.376/2006)	A Public Interest Petition was filed in the High Court alleging that certain industries at the Cuncolim Industrial Estate were causing pollution of the area. The Board on confirming the same issued closure directions to all the said polluting units. However on the insistence of the Units, the Court appointed NEERI to inspect and recommend pollution control measures to be undertaken by the said units .The court then directed the Board to permit the units to operate subject to the implementation of the NEERI recommendations. On continuous monitoring by the Board, it has been observed that the units have complied with the NEERI recommendations. The Board has filed an Affidavit enclosing Inspection Reports of inspections carried out of all Industrial Units that are subject matter of this Petition. The said report indicates the compliance of all 12 units with the NEERI recommendations; as of date except the disposal of Hazardous Waste generated by the units into a common treatment and disposal site. The proposal for setting up a permanent landfill site by the State, for storage of hazardous waste is pending for clearance with the MoEF. The Board has been continuously monitoring the units at the Cuncolim Industrial Estate. Presently the units are storing the Slag as well as the Hazardous Waste generated by them in their premises in an environmentally secure manner, which has been confirmed and monitored by the Board.
	ii) CCAF v/s State of Goa and ors. (PIL W.P. 1/07)	A letter addressed to the Judges of the Court has been converted into a suo motu Writ Petition. The letter seeks the intervention of the court into the various aspects of alleged pollution at the Cuncolim Industrial Estate. The allegations made in the letter are similar to the grounds raised in (W.P. No. 376/2006) As the allegations made in the letter are similar to the grounds raised in (W.P. No 376 / 2006), both matters are being heard together.
	iii) Ashish Dessai V/s State of Goa and ors. (W.P. No. 44/2007)	This Petition has been filed on grounds similar to those raised in W.P. No. 376/2006; however 2 more units at the Cuncolim Industrial Estate have been added as parties. As the allegations made in the letter are similar to the grounds raised in (W.P. No 376 / 2006), both matters are being heard together.
2.	Goa Foundation v/s State of Goa and ors. (Jain Udyog) (W.P. No. 85/2006)	All 5 Sponge Iron Units that exist in the State are respondents in this Petition, which seeks closure of these units on grounds of pollution. The Board had initially ordered closure of the Units on account of environmental pollution caused by them. However on the units were allowed to reopen subject to compliance of various recommendations imposed on them by the Hon. High Court and the Board. The Board is

		continuously monitoring these units and their pollution control measures and will report the same to the court. All matters concerning these Sponge Iron Units, pending before the High Court have been tagged with this Petition. Matter is presently pending admission.
3.	Florian Lobo v/s State of Goa and ors. (PILW.P. No.3/2005)	The High Court constituted a committee headed by the Director of Municipal Administration to identify Garbage Disposal/landfill sites, in each Municipality for disposal of Garbage generated in the respective Municipalities. The Govt. has filed an affidavit placing on record 12 sites that are to be acquired by the State to set up garbage disposal and landfill sites for the Municipalities in the State. The Board has granted authorization to all the 12 sites identified by the Govt. The court has directed the Govt. to go ahead with the land acquisition process for the same. The Directorate of Panchayats has filed an affidavit placing on record the Rural Garbage Scheme in which all 189 village Panchayats have to identify sites for disposal of garbage from their respective areas. The Govt. on getting clearance from the GSPCB will then acquire these individual sites. Presently all applications by the Panchayats for identifying sites for disposal of garbage, have been cleared/rejected as the case may be by the GSPCB. The Board has by way of various affidavits, informed the Court that the Municipalities in Goa are presently complying with interim measures laid down by the Court in respect of management of MSW.
3.	V/S State of Goa and ors. (SMW.P.No. 1/2005)	The Board is formulating a policy for Industrial Siting under the Spatial Environmental Programme 2005-2007, under the coordination and guidance of the CPCB. The Programme is being prepared by the Board under 3 heads namely the Environmental Atlas for the State of Goa, the Zoning Atlas for Siting of Industries and the Industrial Siting Guidelines for North and South Goa. The Draft Reports for all 3 have been finalized by the Board and copies of the same have been forwarded to the appropriate authorities in Delhi and CPCB and State Govt. for further action. The progress regarding the same is being reported to the Court.
4.	The Concerned citizens of Vasco v/s The Chairman MPT and ors (SMPIL W.P. No.8/01)	The Court has directed NEERI to monitor the Ambient Air quality in Vasco to ascertain whether air pollution from the port handling operations at berth no. 10 and 11 are violating standards set out for port areas and for residential areas of the port town. The Board has to assist NEERI in the carrying out of this study. The Report of the same has to be submitted to the Court by March 2008.

Table 8-b: LIST AND STATUS OF COURT CASES, PERTAINING TO THE GSPCB

- **Matters disposed before the Hon. Supreme Court of India at New Delhi**

SR. NO.	CASE.	PRESENT STATUS
1.	Nicomet Industries v/s Goa State Pollution Control Board	DISPOSED The unit of M/s Nicomet has approached the Hon. Supreme court by way of Civil Appeal No. 2160 of 2008, arising out of SLP (Civil) no. 23352 of 2007 challenging the order of the High Court dated 23/11/2007. The Board has filed affidavits in this regard, on the basis of which the Hon. Supreme Court vide Order dated 25/3/2008, was pleased to modify the Order of the HC directing the unit to be sealed, and thereby disposed off the matter while directing that the unit dispose off the hazardous waste generated by it as per the HW Rules and under the supervision of the Board.

- **Matters disposed before the Hon. High Court of Bombay at Goa.**

SR. NO.	CASE	PRESENT STATUS
1.	G.N.Agarwal v/s Chief officer CMC and ors. (W.P. no. 54/2007)	DISPOSED Matter was filed with a prayer to direct the Board to grant consent to operate the petitioners jetty. A detailed hearing was held by the Board on the basis of which the unit was allowed to temporarily operate.,matter was accordingly disposed off.
2.	John Fernandes v/s Babu Sitaram Naik and ors. (PIL W.P.no. 10/2007)	DISPOSED. Petition was filed as the petitioners challenged the undertaking by the operators of a stone crushing unit for shifting and establishing the unit at a location they claimed was unsuitable to them. The Court on perusing the Boards affidavit and on hearing the arguments of the counsel of the Board disposed off the petition on the ground that in the event the Board granted consent to operate the petitioners were free to challenge the same as per law. The Court has held that mere grant of consent to establish by the Board does not permit a unit to commence operation.
3.	Liesel vas Falcao v/s Director of Mines Safety and 3 ors. (PIL W.P. no. 8/2008)	DISPOSED. Petition was taken up by the Court on basis of a representation that illegal quarrying activity was being carried out at a village at South Goa. On receipt of the Petition immediate action in the form of inspection of the illegal quarry was carried out. Based on the same the unit was directed to stop operations as it did not possess the consent of the Board. Satisfied with the

		action initiated by the Board the Court disposed off the petition.
4.	Mother Earth v/s State of Goa.	DISPOSED Petition was filed on account of foul odor emitted by the anaerobic digester plant installed at Patto Panaji by the CCP thereby causing pollution in the area. Based on the contents of an affidavit filed by the Board the Court disposed off the petition by directing the CCP to approach the Board and obtain its NOC in the event it decides to restart the Plant.
5.	Village Panchayat of Old Goa V/s State of Goa.	DISPOSED This matter pertained to the land acquisition proceedings initiated by the state govt in order to set up a garbage treatment plant at Bainguinim. Certain allegations were also raised re: the legality of the authorization granted by the Board to the CCP to set up the plant. The Board filed a detailed affidavit establishing that the authorization granted was legally sound in all respects. Matter was subsequently disposed.
6.	Shanker Goltekar v/s State of Goa	DISPOSED This matter pertained to the land acquisition proceedings initiated by the state govt in order to set up a garbage treatment plant at Cunchelim, Mapusa.. Certain allegations were also raised re: the legality of the authorization granted by the Board to the Municipality to set up the plant. The Board filed a detailed affidavit establishing that the authorization granted was legally sound in all respects. Matter was subsequently disposed.
7.	Paul D'souza v/s State of Goa	DISPOSED This matter pertained to the land acquisition proceedings initiated by the state govt in order to set up a garbage treatment plant at Cunchelim, Mapusa.. Certain allegations were also raised re: the legality of the authorization granted by the Board to the Municipality to set up the plant. The Board filed a detailed affidavit establishing that the authorization granted was legally sound in all respects. Matter was subsequently disposed.
8.	Goa Coastal resorts and recreation v/s GSPCB	DISPOSED The Board issued a direction for closure to a casino vessel M.V. Pride of Goa for operating in violation of the Hazardous Waste Rules. On account of which the party moved the High Court in Writ. The Board filed an affidavit in this regard and due to the stand adopted by the Board the respondent applied for authorization from the Board. Matter was accordingly disposed.

- **Matters disposed before the Administrative Tribunal.**

SR. NO.	CASE.	PRESENT STATUS
1.	M/s Zantye and Co. v/s GSPCB	DISPOSED Matter was filed on account of refusal of the Board to grant consent to operate the mining unit of the petitioner. Matter was heard at length and an affidavit of the Board was filed. Based on the contents of the same the matter was disposed.

- **Matters admitted and pending final hearing/disposal before the Hon. High Court of Bombay at Goa.**

SR. NO.	CASE	PRESENT STATUS
1.	Elsy da Costa V/s State of Goa and 11 ors. (W.P. no. 20/2008)	Allegations of inaction on part of the board in controlling dust pollution caused by operation of stone crushers were leveled in this petition. However due to the efforts of the board in conducting state wise operations against errant stone crushing units the court expressed satisfaction at the board efforts in controlling the pollution caused due to operation of crusher units in the state and admitted the petition.
