

Opportunity to be a part of Technology Information Centre to be set up at the Board

The GSPCB desires to set up the Technology Information Centre (TIC) in office premises at Saligao with the view to disseminate the information pertaining to the latest technology-based/process-based interventions (in addressing various environment management or monitoring related applications including service providers) among stakeholders concerned.

With this view in mind, the Board desires to offer a raw space admeasuring 4 sq. mts. @ Rs.5,000/- per month for display of standees / models / product-manual / process-brochures or pamphlets / demo CD along with contact details as a ready recknor to visitors / stakeholders / industry representatives / general public / hospitality units visiting the board on day-to-day basis.

In case of any further assistance, please feel free to contact Mr. Rajat G. Sawant on 8793301125.
