

Service Name: Authorization under Bio-Medical Waste Management Rules, 2016

Bio-medical waste is any waste that is generated during the diagnosis, treatment, or immunization of human beings or animals. The BMW Management Rules apply to all establishment which generate, collect, receive, store, transport, treat, dispose, or handle bio-medical waste in any form. In Goa, the Goa State Pollution Control Board (GSPCB) is the authority responsible for enforcing the BMW Management Rules and issues authorization. The authorization will specify the activity for which it is granted, conditions for compliance, and the validity period.
