

Service Name: Registration/ Renewal under The E-waste Management Rules 2022

Registration under e-waste management is the official process by which producers, manufacturers, refurbishers, dismantlers, and recyclers of electrical and electronic equipment in Goa become authorized to manage their e-waste in accordance with the E-waste (Management & Handling) Rules, 2011. To legally manage e-waste in Goa, organizations and businesses involved in the production, refurbishment, sale, and recycling of electronic goods must register with the Goa-Pollution Control Board (Goa-PCB) and obtain necessary approvals.

Sr No	Particulars	Details
1.	Competent Authority	Goa State Pollution Control Board, Department of Environment, Government of Goa
2.	URL/s	Goa-PCB: https://goaspcb.gov.in/ OCMMS: https://goaocmms.nic.in/

Circular

Sub: Mandate for online delivery of services

The Goa State Pollution Control Board is tasked with efficient delivery of various clearances required for businesses under various conditions, falling under the provision of this Board.

Further to the above objective, this Board has launched a number of online services without any requirement for submission of hard copy or physical visit to the Board. With the introduction of the online system of service delivery, the Goa State Pollution Control Board is pleased to eliminate in entirety the process of physically submitting applications processing and payment related to these services. The Board has also made all information such as fees, procedure and checklist of documents on the Board website of the online service.

The online system has the following features

- a. End to end online application and submission
- b. Online payment and document submission
- c. Online status tracking
- d. Online certificate issuance and download
- e. SMS/Email updates to the applicant
- f. Facility for online verification of certificates/ licenses/ permits by third parties

The above features are applicable to the following services:

- 1) Registration/ Renewal under the E-waste (Management and Handling) Rules, 2011.
- 2) Registration/ Renewal under Plastic Waste (Management and Handling) Rules, 2011.

Near Pilerne Industrial Estate, Opp. Saligao Seminary, Saligao, Bardez, Goa - 403 511

- 3) Authorization under Bio-Medical Waste Management (Management and Handling) Rules, 2016.
- 4) Authorization under Solid Waste Management (processing, recycling, treatment, and disposal of solid waste) Rules, 2016.
- 5) Authorization under Construction and Demolition Waste Management (Management and Handling) Rules, 2016.
- 6) Registration for dealers under The Batteries (Management & Handling) Rules, 2001.

Shri. Arun Kumar Mishra (IAS)
Chairman
Goa State Pollution Control Board

No. 15/2019/Goa-IPB/EoDB/515

Dated: 25/01/2021

MEMORANDUM

In furtherance of the notification No.3/02/2015-IND/64 dated 25/01/2021 issued by the Department of Industries, Government of Goa, the Goa Investment Promotion and Facilitation Board (Goa-IPB), State's implementation agency for Ease of Doing Business, hereby issues the following mandates as outlined below:-

- 1) Further to point 3 of the above mentioned notification, the online system for Public Consultation has been implemented in the State to ensure the following for all proposed regulations in the State:
 - i. Legal basis
 - ii. Necessity
 - iii. Business friendly policies
 - iv. The drafts of proposed acts, rules or regulations should be made available for a minimum period of 30 days

All departments of the State Government are to note the above four points while drafting and proposing any legislation, rules or regulations.

- 2) Furthermore, the online single window system and all online services should have the following features:
 - i. End-to-end online application and submission
 - ii. Online payment and document submission
 - iii. Online status tracking and department comments
 - iv. Online certificate issuance and download
 - v. Facility for online verification of certificates/ licenses/ permits by third parties

All Departments of the State Government and their IT vendors concerned should make sure that any service made online should have above mentioned features for the online systems used and developed by them.

(Vandana Rao, IAS) 25.01.21
Chief Executive Officer,
Goa Investment Promotion &
Facilitation Board
